GRAB- AND-GO

GRAB-AND-GO AVAILABLE NOW!

STEP 1:

To place an order please call us at 315-592-5159 or reserve your holds online through the catalog at catalog.ncls.org.

STEP 2:

Wait for us to call you to let you know that your holds are ready and to schedule an appointment for pickup. If you have concerns about the Grab-and-Go procedure please notify the staff when making your appointment and we will be happy to make any necessary accommodations. *If you miss your appointment you will have one week to call and reschedule, after which time the books will be put back into circulation and/or sent back to their owning libraries.*

STEP 3:

When you arrive at the library during your scheduled pickup time, call us to let us know you're here. Your items will already be checked out to you and in a bag. A staff member will place your items on the holds pickup table outside (or in the vestibule if the weather is not cooperating) and you may retrieve them after the staff member has reentered the building.

STEP 4:

Return your items to our NEW BOOK DROP slot that is located on the shed on the north side of the building, beside the parking lot. At this time, we're quarantining items for 7 days and books will not be checked back in until after they're released from quarantine. This means that your books will still show up on your account for 7 days after you returned them.
